YOUR HOSTS

ALEA & ASHLEY LAROCQUE

Originally hailing from North Carolina and Missouri, we know what it means to hear the call of the mountains. We've followed, time and again, falling more in love with our Colorado home each season. At Juniper Mountain House, we invite you to enjoy our take on Colorado hospitality, blending five-star service with laid-back mountain charm.

In September of 2020, we tied the knot at Juniper! We've built relationships with the best local wedding vendors, we know the ins and outs of our property, and we're excited to share Juniper with you. We believe every couple should have the right to marry, and we will celebrate your love no matter your race, gender, sexuality, ability or age.

We live at Juniper in a separate area and will be onsite to welcome you and your guests on your special day. Our number one priority is to ensure your wedding day is everything you dreamed of and more.

JUNIPER EXPANSION

THE TREEHOUSES AT JUNIPER

In 2024, our vision will begin to become a reality for Juniper. Juniper's expansion will include eight eco-luxury treehouses and growing our existing outdoor spaces to make our property a true destination and respite that connects our guests to Colorado's great outdoors. Our treehouses will be around 400 square feet, each with a King Bed, sitting area, deck and bathroom. While the exact construction date is unknown, we hope one to three treehouses will be complete by the fall of 2024. If the treehouses are complete by your event date, you can add them as additional lodging.
